Naigaon&Worli, Mumbai

6/MB
-- Lodging Police complaint against people obstructing project works

उपाध्यक्ष तथा
मु. का. अ./प्रा.

३६१८०८

CO/MB

It is noted that few people are obstructing project works such as eligibility survey, project construction related works, due to which such prestigious govt. project is getting stalled / delayed. Residents at N. M. Joshi marg BDD project have raised objections about MHADB site engineers not filing police complaints against such people and due to this, such incidents of obstructions to project works are recurring. Hon.VP/A has personally taken serious note of such repeated obstruction from a group of people and instructed to lodge police complaints, promptly, in such incidents.

In view of above, it is hereby instructed that concerned site engineers (Dy. Engineer/Asst. Engineer / Sectional Engineer) of said project, supervising project works at site, shall lodge complaint against such obstructing people, with local police station in case of obstruction to project works. In case of obstruction to eligibility survey work, police complaint shall be lodged by concerned Competent Authority/ Dy. CDO.

Above orders shall be complied, strictly.
